**NO SHOW Policy Agreement**

In order to best serve your child(ren)'s dental needs, the following policies are in place for treatment at the Clinic:

- All "Eligibility Requirements" must be met
- Patient is initially appointed for an examination by the dentist, followed by x-rays: then a treatment plan will be established, followed by a prophylaxis (teeth cleaning) and fluoride treatment. Then appointment will be made to continue any necessary treatment.
- Upon completion of all treatment, the patient will be placed on a 6month maintenance care program.
- Here at the San Gabriel Valley Foundation for Dental Health Clinic we follow a "No-Show Policy"

**What is "No-Show?"**

- "No-Show" will delay future appointments choices.  
\*You will be put on a 'list' and called when "same-day" appointments become available.
- "No-Show" is arriving 15 minutes late
- "No-Show" is not canceling 24 hours before appointment
- "No-Show" takes away time for other children to receive much needed dental care.
